Portfolio (93 MB): [HERE](#) | LinkedIn: <https://cy.linkedin.com/in/krasidis>

Skills & Experience Summary

Summary:

1. Extensive professional experience since 2005 in sales, business development, strategic communication, training, audiovisual production, and digital media.
2. Lived and worked in multiple EU countries (2000-onwards): Cyprus, Greece, UK, Germany, Spain, and Belgium.

Sales & Business Development:

1. Delivered more than 300 presentations and pitches on programs, products, and services.
2. Skilled in public speaking, audiovisual technology, and presentation tools (PowerPoint, Keynote).
3. Achieved significant sales growth as Apple VAD Greece & Cyprus Sales Manager (€1M to €5M in 2 years).
4. Managed business cycles and transformed operations during economic recession as Education Lead at Veramand Academy.
5. Consistently met sales targets managing Apple software sales for Rainbow S.A. in Greece and Cyprus.

Strategic Communications & Growth:

1. Organized conferences and events, consistently meeting registration targets at UNIC Health.
2. Increased medical expedition programs at UNIC's Medical School from 4-8 to 12-14 annually, expanding medical services offered.
3. Led advocacy and communication efforts for the AIDS Solidarity Movement, transforming it into a publicly recognized NGO with €100k annual operations, supported by government agencies.

Training & Capacity Building:

1. Designed and/or delivered more than 50 diverse training programs since 2005: online, in-person, on topics including health, technology, marketing, copyright, and sales.
2. Conducted needs assessments, developed tailored training materials, and managed LMS platforms (Moodle, Blackboard, Canvas, Wix LMS, etc.).
3. Coordinated complex training logistics and evaluated program impact through data analysis.
4. Designed and facilitated engaging training sessions across Europe, specializing in digital literacy and tech tools.

Audiovisual Production:

1. 20+ years of creating digital content: videos, audio recordings, written materials.
2. Proficient in industry-standard software (Final Cut Pro, Logic Pro, Adobe Suite, Canva, Figma).
3. Maintains a professional home studio for video and audio production.
4. Experienced in social media content, press releases, infographics, and technical copywriting.
5. Skilled in online marketing tools (MailChimp, SurveyMonkey, Wix) and web development (WordPress, HTML).
6. Advanced user of AI tools (ChatGPT, Gemini, DeepSeek, Claude).
7. Expertise in data analysis (Google Analytics, SEO/SEM, Excel) and strategic digital campaigns.

I'm quite excited about the possibility of discussing how my experience and your objectives align, and I am happy to provide success stories and deepen on achievements in all aspects of my work. I am also open to a collaboration as an external collaborator (contract & invoices).

In appreciation of your time,

Christos Krasidis (he/him)
